TESTING-COMPETENCY DEMONSTRATION

The State of Michigan mandates competency testing or “testing out”; it allows any high school student to test out of a core course offered by his or her high school.

Competency testing procedures are as follows:

- ✓ Students must demonstrate mastery of course content by earning a grade of 80% or better on each component of a comprehensive final exam.
- ✓ Successfully passing a given test results in credit being earned for that class; a grade of “pass” being recorded on the student’s official transcript; and credit towards graduation. The grade will not be calculated in the GPA.
- ✓ Passing a test is equal to fulfilling a requirement in a course sequence.
- ✓ Once credit is granted by “testing out”, a student may not receive credit for a prerequisite course in that sequence.
- ✓ Students considering “testing out” should see their guidance counselor.
- ✓ Students must follow guidance department testing out timelines.
- ✓ Testing out is restricted to core classes only.
